[57] **CLAIM**

The ornamental design for a stylus for a handheld computer,
as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a stylus for a handheld
computer in accordance with our new design, with an
extension member of the stylus being retracted;

FIG. 2 is a side elevational view of the stylus for a handheld
computer with the extension member of the stylus retracted,
all sides are identical;

FIG. 3 is a perspective view of the stylus for a handheld
computer with the extension member of the stylus extended;

FIG. 4 is a side elevational view of the stylus for a handheld
computer with the extension member of the stylus extended,
all sides are identical;

FIG. 5 is a front end elevational view of the stylus for a
handheld computer; and,

FIG. 6 is a rear elevational view of the stylus for a handheld
computer.
